Forest Hill, MD 21050
Attn: Joshua Cimino

RE: BGE Rodgers Forge Phase 4
Permit #: B957209
Project ID: M160255

Dear Mr. Cimino:

The above referenced permit applications are being held until the following stormwater management and/or grading plan issues are resolved and/or addressed.

- An environmental agreement must be processed and approved for any project requiring grading or SWM permit securities prior to permit approval.
- Grading Plan and Erosion and Sediment Control Plan review and approval are required for this project prior to permit approval.
- Any SWM or Grading securities associated with this project must be posted and approved prior to permit approval.

For further information, please contact Michael P. Doyle at 410-887-3768.

Very truly yours,

David V. Lykens, Director
Department of Environmental Protection
& Sustainability
